

Help save the Gay Head Lighthouse!

# Summer Internship Opportunity

The Save the Gay Head Lighthouse Committee is searching for **merchandise and sales interns** to provide assistance during the summer months of 2014. Weekly time commitment is 6-12 hours per week (one or two shifts) from 10:00am -4:00pm.

Interns will be stationed at the lighthouse.

Although preferred, no sale experience is required.

This is a wonderful opportunity to fulfill community service requirements for sports teams and college resumes, learn about the workings of a large-scale fundraising effort, gain sales experience, and support an island-wide, community effort to save this beloved cultural and historic icon.

**Applicants please contact Tiffany Smalley at [tiffany@gayheadlight.org](mailto:tiffany@gayheadlight.org)**
